Minutes:

CHAIRMAN DAVENPORT declared the Public Hearing open for Items 31, 32 and 34.

DOUG RANKIN, Planning and Development Department, explained that the parking variance appears to be a self-imposed hardship and recommended denial of all applications.

PLANNING COMMISSION MEETING OF: SEPTEMBER 27, 2007

OSCAR O'KEEFE, architect, 3782 Falcon Springs Drive, noted that this is one of the few remaining houses that has not converted to office and asked for the approval of all applications.

KEN DEVRIES, Eastern Avenue, submitted a protest postcard and appeared in opposition. He stated that the occupants of the commercially converted houses are renting out space, resulting in additional businesses and increased parking problems.

TODD FARLOW, 240 North 19th Street, concurred with the previous speaker.

COMMISSIONER DUNNAM empathized with MR. DEVRIES and suggested he contact the City's Community Response Department so they can cite those individuals operating businesses illegally. MARGO WHEELER, Director of the Planning and Development Department, declared that based on MR. DEVRIES statements, a report would be made and followed up on. Additionally, CHAIRMAN DAVENPORT announced that the phone numbers of all Commissioners are listed on the City of Las Vegas website and available to anyone.

COMMISSIONER TRUESDELL agreed that the area is difficult. Based on the applicant's proposal, he agreed that this is not a good conversion and would not support it.

CHAIRMAN DAVENPORT concurred with COMMISSIONER TRUESDELL and agreed that the two parking spaces would be inadequate.

CHAIRMAN DAVENPORT declared the Public Hearing closed for Items 31, 32 and 34.
